

Ideas Academy believes in education for all

Education holds the key to global citizenship, which is something that no one regardless of background, race or economic situations should be denied. Our primary aim is that every child between 12 to 18 years old should gain a strong secondary educational foundation to become responsible, confident and compassionate citizens of tomorrow

Our mission is to

“Unlock human potential when it matters most.”

Our core values, our fundamental beliefs, are captured as follows:

Commitment to Excellence
Be the best you can be

Embrace Diversity, amongst all stakeholders
You are different, I like it

All for one and one for all
Humanity is about connection

Education for all
So we all get a fair chance to make a difference in life

FastTrack 1 & 2

Accelerated learning pathways to guide students into the International Cambridge Curriculum. Ask us about the options.

Our Value Proposition

1 Cambridge (IGCSE) curriculum: We provide our students an acknowledged and credible avenue to successive education in Malaysia or abroad.

2 Humanity: We develop our students' identity through a holistic approach with skills in Debating and Communication, Social Emotional Learning and we teach Kindness, Skills in debating, communication, networking and Cultivating kindness, emotional awareness, responsible choices, and self purpose.

3 Technology: We provide our students a pathway to become future social tech leaders experience in coding, data science, UX / UI design plus extra after school lessons and boot camps.

Inquiry and application based learning

At Ideas Academy, we believe that all students should have an active part in the learning process.

Our teachers:

- Are driven by a belief that they are making a difference
- Design lessons that help students connect existing knowledge and experiences with new understandings and insights
- Encourage critical and creative thinking in all subject areas
- Challenge students to solve problems
- Provide frequent and specific feedback to promote students reflection
